Sandra
You're a real
sweet person and I
know if you stay the
way you are you'll always
have as many friends as you
do now. (boys as whatever)
I'm really glad I have
gotten to know you this year.
I feel like I have known you
for much longer than I have.
I hope we continue to be friends.
Good luck in all you do.

The 1979 Monument is dedicated to our principals, Mr. Edwin Williams and Mrs. Barbara Shirley. This is their first year at these positions and we feel as if it has been a job well done. Mr. Williams, our principal, was promoted after serving 8 years as our vice-principal. He has done a fine job along with Mrs. Shirley. Coming from Wewa and the elementary school, Mrs. Shirley has had to adjust to new and difficult surroundings. It has been some hard times and some good times but through it all, the 1979 Monument Staff feel that no two people are loved and respected more. Mr. Williams and Mrs. Shirley, Thank you!

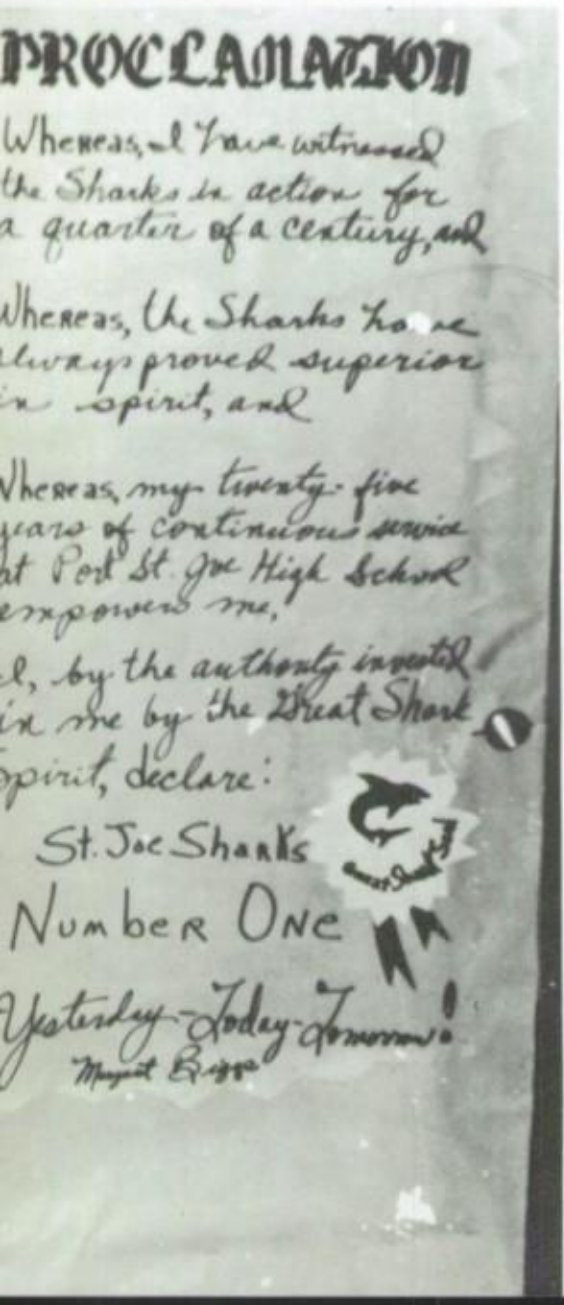
As the Curtain Opens



PROCLAMATION

Whereas, I have witnessed the Sharks in action for a quarter of a century, and

Whereas, the Sharks have always proved superior in spirit, and

Whereas, my twenty-five years of continuous service at Port St. Joe High School empowers me,

I, by the authority invested in me by the Great Shark Spirit, declare:

St. Joe Sharks

Number One

Yesterday - Today - Tomorrow!

Mayor Bass

The curtain opened on the 1978-79 school year to a refreshed and eager cast. The roles were new and exciting. Memories waited to be recorded on the filmstrip of life. Memories of friends, places, and adventures to be captured and preserved forever. Not only did the students and faculty participate in making the 1978-79 school year a success, but members of the community as well.

The community provided support to the members of Port St. Joe High School through activities such as sports, music, and trips. This last year of the seventies was a fine performance by the students, faculty, and community. Next year promises to be an encore of the friendliness and fun of 1979.

A principal must be many things . . . administrator, scholar, leader, friend . . . and we believe we have in our school a collection of these qualifications in our principals. Even though this is Mr. Williams and Mrs. Shirley's first year working together they managed to make this year a successful one.

Student Council

Stage Is Set For

The Student Council is in charge of planning many activities during the year such as Homecoming Week, Sadie Hawkins Week, Powder Puff, and the Christmas Ball. Student Council members were kept busy decorating for dances, helping to plan and carry out activities and also selling light bulbs and bumper stickers. This year our Homecoming was one of the best ever. All Alumni of PSJ High were invited to attend the Homecoming activities. Homecoming week was climaxed by the winning of the Homecoming Game and the Homecoming Dance afterwards. The Christmas Ball was also a success and helped to get everyone into the Christmas Spirit. The Student Council has done a wonderful job this year in planning some exciting activities.

Directors Focus

Sr. Executive Board

The Senior Executive Board is the governing body of the Senior Class. These students have worked hard raising money for the many activities undertaken by the Senior Class. Probably the biggest event was the Senior Party. They were also responsible for the planning of the Senior float.

Right: Denese Bond, Vice President; Dawana Jachob, Secretary; Tom Bouington, Lori Heacock, Treas; and *Seated* Bob Jones, President.

Seated: Bob Jones, Denise Bond, Dawana Jacobs, Lori Heacock, Tom Bouington. *Standing:* Chuck Pollock, Tommy Vandevender, Tonya Allen, Karen Collinsworth, Michelle Willis, Caron Lynn, Edwina Matlock, Stephanie Russ, Lynn Besore, Ronald Pickett.

Senior Extravagandas

Sr. Cruise Club

The Senior Cruise Club is made up of various members of the Senior Class. This club was organized for the planning and raising of money for a seven day cruise to the Bahamas. One of the most noted of the money raising events was the Haunted House set up in the Union Hall during the week of Halloween. Other money raising events included carwashes, candy sales and dances. Although the group was plagued by the dropping out of many members, the trip was still carried out and proved successful.

Left: Cruise Club members work in the baseball concession stand as their sponsor Mrs. Arrant looks on. *Above Left:* Members take a well deserved break for a snapshot.

Executive Board Hosts

Members of the Jr. Executive Board were selected by their classmates to be the "heart" of the Junior Class. They met each week to discuss ways to raise money to have the Prom. The Prom was very important to everyone. They worked real hard, with magazine sales and running the concession stand at football games, to make the Prom the best ever!

Right: sitting, Dianne Graham—President; standing, Jamie Mims—Treasurer, Lisa Fadio—Secretary, and Kent Smith—Vice-president.

Members are: *Front row:* Dianne Graham, Kent Smith, Lisa Fadio, Jamie Mims, Pam Coney, Cindy Wingate, Cindy Williams, and Greg Layfield. *Back row:* Steve Peak, Sandi Lynn, Steve Walker, Steve Sullivan, Elizabeth Williams, Clara Allen, and Bernie Wester.

Monument The Directors of the Annual

The Monument Staff of 1978-79 have worked diligently to produce a memorable annual. Under the direction of their sponsor, Clarence Monette, the staff spent much time gathering pictures and writing copy for their layouts. The editor, Cindy Murphy, and assistant editor, Teresa Nichols, dedicated much time to insure that the Monument '79 would be an annual to be proud of. This year's staff decided to do something different in the Monument. So, for the first time, senior portraits are in color. The annual staff undertook various projects to help pay for the annuals. Among these were basketball concessions, picture sales, and old annual sales. The Monument staff felt that the reward was well worth their efforts.

Get Their Act Together

This year's Flag Corps consisted of 16 girls making it the largest and bestlooking yet. These girls work long hard hours to perfect their routines which they perform during half-time at football games, At Flag Contest in Panama at the Tommy Oliver Stadium, they made an excellent rating. We were proud of our fine Sharkettes.

The Rifle Corps may have seemed small but they are a hard working group who added alot to the show. They received new rifles this year, along with a new sponsor, Ms. Fennell. Together, they worked on their routines and you can see the great results during halftime at the football games.

Gloria Thompson; captain, Martha Adkison; co-captain, Jamie Mims, Mari Harrison, Dianne Graham, Kim Rich, Francis LeHardy, Beth Pollack, Sherrie Raffield, Drucilla Fillmore, Kathy Yates, Dina Parker, Patty Raiford, Dawn Bond, Lisa Fadio, not pictured; Juvanna Williams.

On With The

Band

The 78-79 Band of Gold experienced another fantastic year for both the marching and concert seasons. The members put in many hours of practice. Their efforts paid off; the football fans stayed in their seats to watch the show. The rifles and flags added their own special touch to the shows. The band was under the field direction of Drum Major Monique Pierce and Band Captain Tracie Norwood. Both did a fantastic job the whole year. Director Ray Smith is the one who pulled it all together and helped this year's band to be the best ever. The band went to the yearly Florida's Bandmaster's Association Marching Contest and received a Superior rating, Thus ending the marching season and starting the concert season. Being in concert band involves more technique and skill in playing an instrument. The band received an Excellent rating at District III Concert Contest. The Band of Gold senior members are to be praised for the fine job they did the whole year. They are Phoebe Barlow, Beverly Beard, Tripp Barrier, Shane Boucher, Tracie Norwood, Monique Pierce, Bobby Montgomery, Gloria Thompson, Melody Wood. St. Joe Singers And

The St. Joe Singers started the 78-79 year with a Fantastic new sound. At the beginning of the year, the group traveled to Dothan, Ala. to participate in the National Peanut Festival. They came home with a Superior rating. In Dec. The St. Joe Singers appeared on Helen Schuh's Televisit, portions of their appearance was video-taped and shown on a Christmas special. The group then traveled to Mariana, Fla. for District Choral Contest, and came home with an Excellent rating. In April they traveled again to Dothan, to record their second album. The St. Joe Singers performed at many school functions such as the Christmas Concert, NHS District meeting, Spring Concert, and several out of town performances. It has taken lots of hard work for each of the members the whole year and their efforts have paid off.

Purple Wave Staff

Cinemascope of the

The Purple Wave Staff is the Business Communication students of Port St. Joe High School. These students use many various ways in obtaining information for the Purple Wave. Sometimes they conduct interviews with a student or a teacher getting different views on a subject. Other times they use various sources of literature and do research on their topic.

Ms. Kent is sponsor of the Purple Wave. Although the students do most of the work, she supervises the final editing of the paper.

Ms. Kent and the Purple Wave Staff are to be commended for their efforts in trying to keep P.S.J. students informed.

Ms. Kent assists Kathy Yates and Gwen Sims in some of the difficulties of editing.

Business World

The Future Business Leaders of America concern themselves with learning to successfully function in the business world. They learn anything from simply putting paper into a typewriter to typing important business letters. Each year they are in District competition with other FBLA members. This year the competition was held the second week in February in Panama City. The FBLA members competed in such events as typing, accounting, shorthand, talent, spelling, and job interview.

Focus on Home

The Future Homemakers of America are young men and women learning the responsibility of taking care of their homes and families. Some of the responsibilities that were placed upon the members included learning to cook, sew, and manage their future homes. Some of the activities that the FHA members were involved in this year included visiting the Lisenby Nursing Home at Christmas and raising money for their jerseys by having a bake sale downtown and selling candy during Valentine's.

Honor Societies Project

The National Honor Society consists of various students from the eleventh and twelfth grades who have attained a high level of academic excellence. These students must maintain not only their grades but their character and leadership. This year's Honor Society hosted a district convention. Schools from the surrounding area sent representatives to Port St. Joe High School. It ended with a sea food dinner and satisfied people!

Key Club Plays the Title

Under the guidance of their sponsor Mr. Faison, the Key Club was able to reach many of their goals as well as sticking to their theme which was, Respond to Society's Needs. The Key Club this year worked alot with their sponsors the Kiwanis Club on projects such as Pancake Day, Fish Frys, and the Annual Dogwood Tree Planting. Many hours were also spent on fund raising projects such as roadblocks for the March of Dimes in which we collected money. All in all it was a fairly successful year.

Service Has Big

The Keyettes is a service organization which consists of a group of girls that help community organizations. They participate and organize such money raising projects as roadblocks and candy sales to assist charities. This year, the Keyettes helped plan a March-of-Dimes Walk-A-Thon which was a great success! The girls hard work was greatly appreciated by the community.

Kevin Watts has been selected as the 1978-79 Keyette Dreamboy. Kevin, a '79 Senior, has participated in several sports, such as: three years of football, three years of basketball, and four years of baseball which is his favorite sport. He is in the Key Club, the 200-lb. Club, Pep Club, and the Letterman's Club. As you can see from all of Kevin's achievements, he made a fine selection for all of the girls! Sweet Dreams!!

Showmanship Plays A

The Navy Junior ROTC program has been at our school for three years. It has been spread all over the County, by this is meant that Wewa High School has helped the reputation of the NJROTC to some degree. Over the past three years, the class has seen numerous changes in instructors. Capt. Henri L. Cassani and Commander B.W. Humphrey's were the first two. Due to illness in his family Capt. Cassani had to resign his command. Commander Humphrey's has stayed on to see that "his kids" got the best of everything. Marine Corp First Sargent Major was the next instructor that received a better job offer so he moved on. We now have with us another First Sargeant. His name is Bob Kennedy. He has really helped the unit in and out of the class room. During the past three years we have taken a few trips to Orlando, Florida where the Naval Training Center is. At NTC, we experienced a week of what recruits go through. The trips were worth the time and money. In ROTC a cadet is given many chances to learn some things that are not taught in ordinary classes. Like Navigation, Map Reading and Ocean Navigating just to name a few. I feel that everybody should at least attend one class of NJROTC for a school year. You would be amazed at the things they learn.

The Wide World of Sports

Sharks Show

The 1978-79 Football season opened this year with high hopes for St. Joe. The team consisted of 29 players: 11 Seniors, 12 Juniors and 6 Sophomores, which consists of 13 returning lettermen. The seasons schedule looked tough. But the coaches felt as if the gridders could handle it. The schedule consisted of Class 3A: Marianna; Class 2A: Florida High, DeFuniak, Wakulla, Chattahoochee, Chipley, Bonifay and Blountstown; Class 1A: Wewa and Apalachicola. Pre-season action consisted of a lot of hard work for the gridders. All during the summer at least twice a week, Head Coach Wayne Taylor and his assistants worked the men not only in the weight room but on the field as well. Later in the summer the Sharks would gather at 6 o'clock in the morning and also in the afternoons for the two-a-day conditioning drills, which would also contribute to St. Joe's stamina. Finally came the seasons opener that pitted St. Joe against their County rivals! Wewa and St. Joe played an even first half with few offensive drives obtained. It remained so until late in the third quarter when Wewa drew their first blood. As the Sharks defense grew weary, the Gators sustained their running attack with greater success, adding two TD's to upset St. Joe 20-0. In the first home game St. Joe took the opening kick off and rammed it in for 7 points. The Sharks had two more threats in the first half but were terminated by fumbles. Fumbles were both teams favorite play. With the third quarter winding down, St. Joe put 7 more on the board on another beautiful drive. The defense had held the Demons to little yardage until a few big plays and some crucial penalties later, Fla. High scored. The try for 2 failed. With the time running out, Florida High kicked an onside kick, recovered it, then scored again. The try for 2 failed and St. Joe went on to win 14-12. With St. Joe on the move, they traveled to DeFuniak for the Braves Homecoming, The Sharks threw a rugged defense at DeFuniak holding them to only 44 total yards while compiling 123 of their own. The Sharks finally stopped fumbling in the second half and put 7 pts. on the board and in the last quarter added two safetys to defeat Walton 11-0 in their Homecoming. St. Joe found Wakulla not so easy to beat, giving up two quick TD's and 3 more to come later in the game. St. Joe was held to only 63 yards compared to Wakulla's 354 which carried them on to win 31-0. The Marianna game was almost an instant replay of the Wakulla game. Marianna scored 2 quick ones before the defense dug in. The Sharks put the last TD on the board just as the first half ran out. The defense went on to hold Marianna to one first down in the second quarter. The Sharks got a big break late in the last quarter but time ran out stinging St. Joe with a 14-6 loss. The second half of the season St. Joe traveled to Chattahoochee where they were in complete control of the game from the beginning. When the end of the game had arrived St. Joe added another win to their record with a 33-0 point spread. The next game was to be the most exciting game for the Sharks this year! The Tigers of Chipley took the opening kick off and rammed it in for 7. Then Chipley stopped St. Joe on the 5 yard line and 17 seconds later it was 13-0. St. Joe took Chipleys kick off to the 40 and 11 plays later St. Joe lit up the score board. It was now 13 to 6! With 2 minutes left in the half Chipley added six more points. St. Joe went wild and sustained a perfect passing attack and hit the locker room with the score 19-12. The third quarter was nothing more than trading punts. In the last period St. Joe recovered a bad snap on a punt and 3 plays later it was 19 to 19! Then 2 plays later the Sharks recovered a fumble and ran it 24 yards to take the lead 26-19!! With 8 minutes left Chipley went 90 yards making it 26-25, the try for 2 failed. St. Joe then held on to the ball to win 26-25! The Bonifay game turned out to be the worst game for the Sharks. The Sharks ran all over Bonifay but were plagued with fumbles and penalties. Thus only allowing St. Joe to 7 points. With time running out in the last quarter Bonifay started a drive. Then came a big play, giving Bonifay a third and long situation. In a last effort they tried the BOMB, and scored putting the game into overtime. Bonifay went on to win 14-7. Saint Joe was pitted against the rival Sharks of Apalach, for our Homecoming game this year. The Sharks were clearly in command of this game with a total of 408 yards while St. Joe's defense held them to only 42. The Sharks tried several plays in the game that haven't been tried except in practice. For example letting a guard play fullback that made 7 pts. and another guard try a handoff from the line which was almost 7 more! When the game ended St. Joe had a 33 to 0 win and a new Homecoming Queen, Miss Lori Heacock. In the final game of the season the Sharks took on District rival Blountstown. The Tigers got off to an early lead in the first quarter making the score 7-0. St. Joe's offense got on the move in the second period putting a little dent on their side of the score board. With 6 seconds remaining in the half the Tigers resulted to the BOMB which payed off giving them a 7 pt. edge. Midway in the third period the Sharks added 6 more points and tried for two points to take the lead. The conversion failed and it was 14-13 in favor of Blountstown. The Tigers had some lucky breaks in the last few moments of the third quarter and scored what was to be the last points scored in the game. The Sharks had a great opportunity in the last 4 minutes of play but was stopped by an interception on B-Towns 17 yard line. The season ended with a 5-5 record for the Sharks but was not at all considered a poor season!

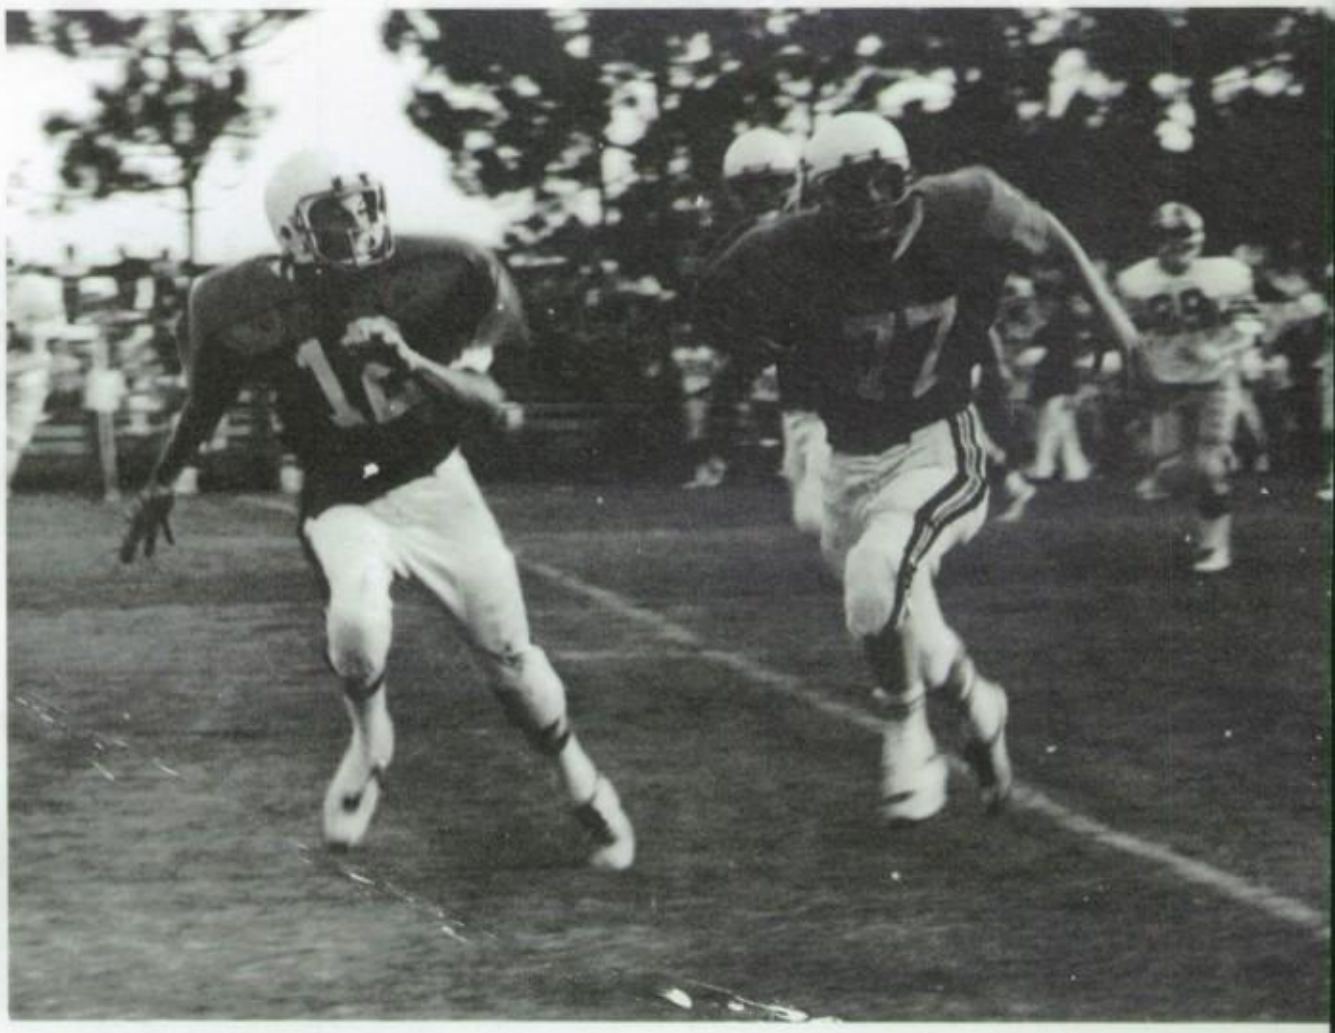
Sharks Splice Season



The 1978 Junior Varsity Football Team consisted of ninth and tenth graders. They had a dissapointing season, playing tough teams such as Blountstown, Rosenwald, and Chattahoochee. Although this was an unsuccessful season, the Sharks accomplished one goal by beating Wewa the last game. The coaches for the team this year were Wayne Stevens and Rex Wimberly.

Junior High Cheerleaders

Junior High Cheerleaders Play

Under the leadership of Mrs. Martha Sanborn, the Junior High cheerleaders experienced a very exciting and rewarding year at Port St. Joe High. Their outstanding quality was evident as early as summer camp, where the young, inexperienced group of ten walked away with the highest honors in their division. Besides being a very spirited squad, the junior high cheerleaders are also an acrobatic group, and they add interesting stunts to each new cheer learned. It is students with this kind of spirit that make Port St. Joe High the epitome of school support in sports events.

Cheerleaders Put the Spirit

The 1978-79 Port St. Joe cheerleaders gained distinction early by receiving several spirit awards at summer camp in Tallahassee. Combining traditional St. Joe cheers with many exciting new ideas, their excellence was evident to all who witnessed the purple and gold in action. Whether it was driving miles away to the out-of-town games, or meeting daily for practice, there was never a dull moment among the squad. It is this combination of work and dedication that makes being a Port St. Joe cheerleader an honor and a credit to this school.

Graphic Performance

Very seldom in the life of a person are the viewers privileged enough to see so much talent in so little a team. If ever there was a team like this it would have had to have been the 78-79 Varsity Sharks. These young men have almost all played together since their entrance into the high school of Port St. Joe. Ever since the beginning of their career in basketball two coaches knew that they were something very special. This reason alone, although it wasn't, could have been why these coaches in particular dedicated alot of their school time and much of their personal time teaching these boys all that they knew about the strategy and tactics of basketball. These coaches, who along with the team almost were a family, were William Lane and Mike Herring.

Their Way Into Finals

The Sharks were often rated in the top five teams of the state by the newspaper. Once the Sharks got out of the regular season they put it all together especially in the District and Regional Tournaments. A few people doubted the polls of the newspapers at first but it was removed once they observed the performance given at home in the Coliseum in which the Sharks totally dominated the floor by letting no team come within seventeen points.

Above: If your wondering why there aren't any defenders by Willie Earl, it's because he used one of his unstopable Lane-Herring combination moves and left his guarders wondering how he got around them. *Left:* The Sharks depended greatly on Tony Larry's driving ability because he was the Master of Illusions when it came to penetrating the defense and making two points with the aid of his lightning quick moves.

Varsity Basketball

Players Awarded

The 1978-79 Basketball Squad made one specific goal at the beginning of the season, this goal being to reach the state tournaments by capturing all the other titles that lead up to it. Although they were unjustly robbed of it by two Vernon fans posing as referees, their struggle and determination will never be forgotten. The memory of these boys dedicating a small portion of their life to obtaining a dream will linger on in the walls and especially the gym of Port St. Joe High School forever more. This was a team of Class as well as Pride. which really showed up on their home court. For the Sharks to lose a home game was almost unheard of as was for their roudy fans not to show up.

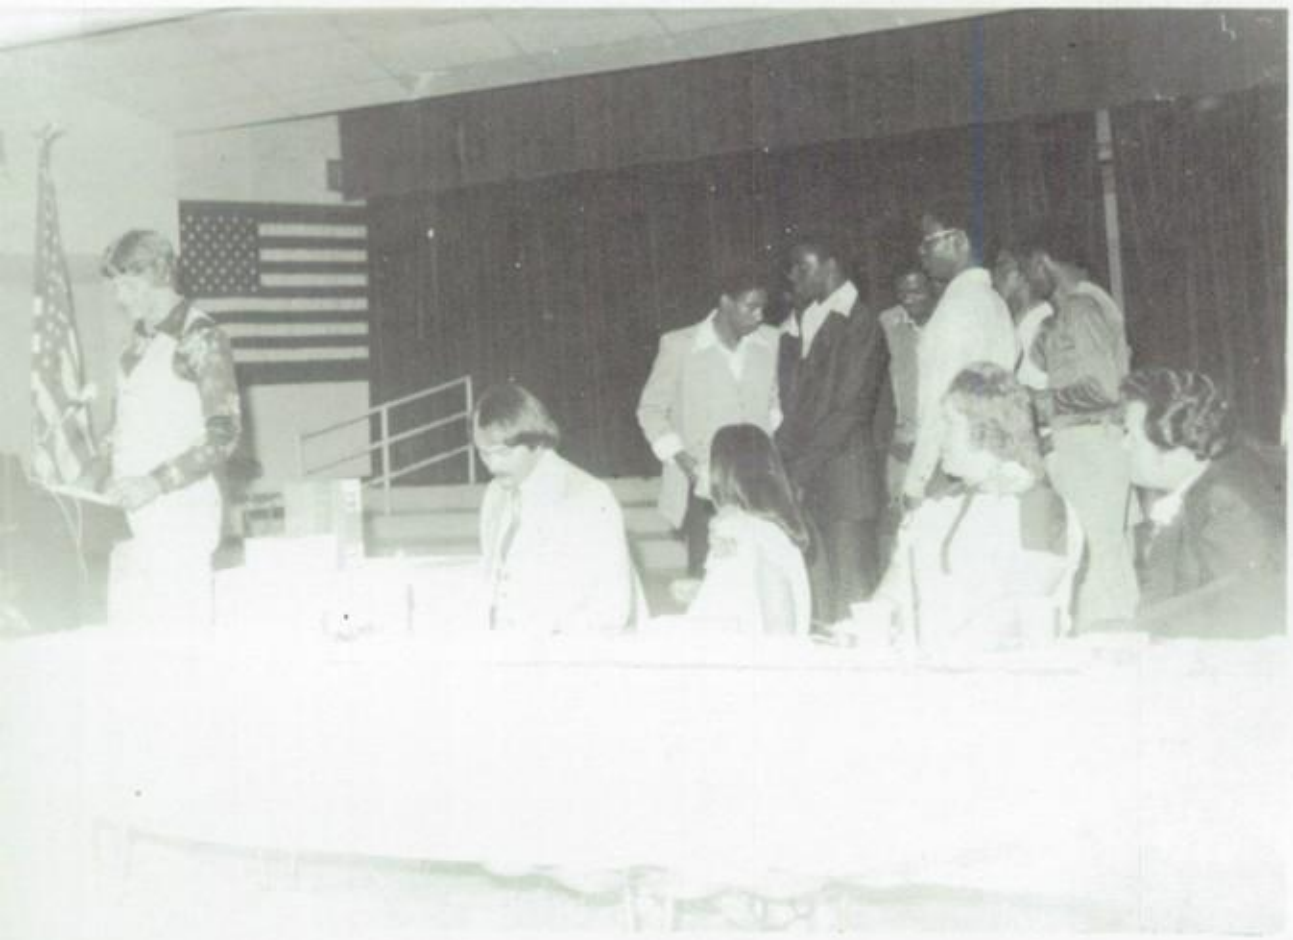
at Festive Banquet



It took alot of talent and skill as well as the brilliant ingenuity of the coaches to get them as far as they went. This is very true but the backbone of their team came from the Hell-Raising of the fans and their Cheerleaders whose attendance always inspired them.

Left: A shot of Chuck taking a little time to recognize and appreciate the efforts of the coaches in which they received a token from the team to be remembered by. The remainder of the team awaits their chance to take the floor and each say a few well chosen words to end their high school basketball career. *Below:* The coaches also presented their awards to the players for their outstanding achievements throughout the year to highlight the evening. Asst. Coach Rick Williams, Tony Larry, Most Improved, Willie Boykins, Most Enthusiastic, Clevland Riley, Most Valuable and Best Free-Throw Shooter, Chuck Pollock, Best Rebounder, Coach William Lane.

J.V. Basketball Award Winning Performance

The Port St. Joe J.V. Sharks are given credit for an outstanding record of seventeen wins and five losses. Through the leadership of their three veterans Jeff Hinote, Cass Gant, and Marvin Sewell along with the inspiration of their sometimes roudy coach, Rick Williams, they managed to pull off many clutch wins. Even when the team suffered vast handicaps such as the loss of three players two of which started, they never let it get them down. The J.V.'S will be losing three out of five starters but coach Rick Williams says he will have more than enough players to fill these vacancies. He says that if his rookies keep coming around like they are doing now, one can look forward to another exceptional season next year.

Jr. High Basketball

A Preview of Future

Though the ninth grade suffered their share of bitter defeats, their hard efforts and work will be well worth it in the upcoming years. Their record was two and eleven but they were handicapped by small size and number.

Varsity Teams to Come

The Jr. High this year accounted for only four wins and ten losses but showed promise for the future. Their coach Mike Herring was extremely proud of the type of ball in which they played because they showed teamwork.

Girls' Basketball Team

The girls' basketball team of 1978-79 was a young ball club consisting of mostly freshmen and sophomores, with one junior and no seniors. But despite their inexperience and youth the team pushed through some tough competition to take the district title against Chattahootchee. Backup, support, and guidance came from Miss Carmena Fennell, who reigned as head coach. Sheila Farmer, a sophomore, led the girls in scoring, followed by Michelle Russ and Bertha Harris. With these girls and the remaining members coming back, next year should prove to be a successful season for the girls' basketball team.

The wrestling team at Port St. Joe might not have had an impressive season, but they gained many new members and experiences which will make for a better team next year. Two senior members won Regional Honors this year. Vic Gilbert placed first in the 171 lb. class and Lynny Whitfeild placed third in the 188 lb. class. A new addition to the team was the Mat Maids. They helped the team prepare for wrestling meets by cleaning mats and taping mats down. During the match they kept scores and cheered the team to victory.

Inexperience Hampers

Due to the lack of experience the St. Joe Tennis teams had disappointing seasons. St. Joe played teams such as Bay High, Fl. High and other surrounding schools. The Boy's team will lose graduating seniors, Rodney Herring, Joey Fontaine, and Ronald Pickett. The Girl's team will lose only one senior, Jan Leavins. Jay Hanlon, David Bray, Tommy Wright, and Chris Adkinson, who filled the No. 2 through No. 5 positions respectively, will be returning next year. The No. 2 through No. 5 of the girls are also returning, who are Beth Pollock, Leslie Costin, Sheila Scott, and Laurie Smith, respectively. Since most of the boys and girls will be returning, both teams are expecting a good 1980 tennis season.

Diamond Spotlights

The 1979 Baseball Season started this year for the fighting sharks with only six players returning from last year. The six returning lettermen proved to be very successful in helping to conquer the inexperience of the nine first year players. The sharks were lead by pitchers, David Fowler, Steve Peak, Chuck Pollock, Freddie Woullard and Ron Miller. While David Fowler and Steve Peak carried a great deal of the load, the other pitchers contributed their part in the action. St. Joe has always been known for their great defense and this year has been no exception. The infield was unorganized in the early portion of the season due mainly to the inexperience of the young players. Also, a main factor was the injury of head coach Kes Colbert which did not really slow down progress but put a great deal of the load on the new coach Jim Belin. The starting defensive line up for the sharks were Chuck Pollock at first base, Tim Beard at Second, Freddie Woullard at Shortstop, Steve Peak at third, and Kevin Watts at Catcher. In the outfield the Sharks were lead by left fielder B.J. Cox, center fielder Casteldera Gant, and Ronnie Miller in right field. The sharks had a disappointing record and in spite of their conference record managed to get a berth in the district playoffs, where they opened up playing Chattahoochee. Upon a 1-0 win against the yellow Jackets they met Blountstown in a one way course to victory. St. Joe played eleven innings of ball and downed the Tigers 2-1 giving St. Joe the 1979 district trophy. The following Tuesday they met with Fla. High and had a disappointing loss of 5-2 which knocked them out of the Regional Tourney.

Girls Focus on Pitching,

The 1978-79 season saw many improvements in the girls' softball program. In the process of growing, the team played an improved schedule with practices and games at the newly built diamond behind the high school. Team members worked hard and improved skills and teamwork against a very tough schedule of opposition. The last game ended a seasonal record of 3-9. With only three seniors leaving, most of the team will be returning next year, which promises to be a very hopeful season.

Powder Puff

Friday Night Live: Not Ready

This years Powder Puff Football game was as exciting as always. Sr. Girls played against the Jr. girls in a flag football game, although I'm sure many of these young ladies wished it was tackle. The Seniors had an exciting victory over the Juniors with the score totaling Seniors 20, Juniors 7.

For Prime Time Players

Everyone waited patiently for half time to see who would rein as Powder Puff King for the year 78-79. It was no big surprise when over the intercom rang loud and clear Bob Jones was this years Powder Puff King. The main attraction of course were the Junior boys dressed as cheerleaders. Everyone had to admit they had plenty of spirit and plenty of curves.

Prom

"Devastation"

The 1979 Prom's theme was "Disco Heaven." The Juniors worked for three hard weeks decorating for this special event. The results were absolutely fantastic! To begin the evening, everyone met at the school's commons area to have pictures made and attend a banquet. Food and punch was served as the students socialized and listened to some recordings of the St. Joe Singers. Then everybody went to the centennial building to "party" and "get down" with music by "Devastation." The band did an excellent job. Everyone had a great time and agreed that this was the best Prom yet!

The Wonderful

Grad Nite is a very special party held at Walt Disney World for graduating high school seniors and their dates. The party, which is closed to the general public, takes place from 11 o'clock at night until 5 o'clock in the morning in the Magic Kingdom theme park. During this time, everyone has unlimited use of the more than 45 Magic Kingdom attractions. The party features popular rock entertainers throughout the evening. This years stars included Rose Royce, First Choice, Peaches and Herb, Gary's Gay Raes and Starguard. Each student receives a free 5x7 color photography of himself and/or his date taken at Grad Nite.

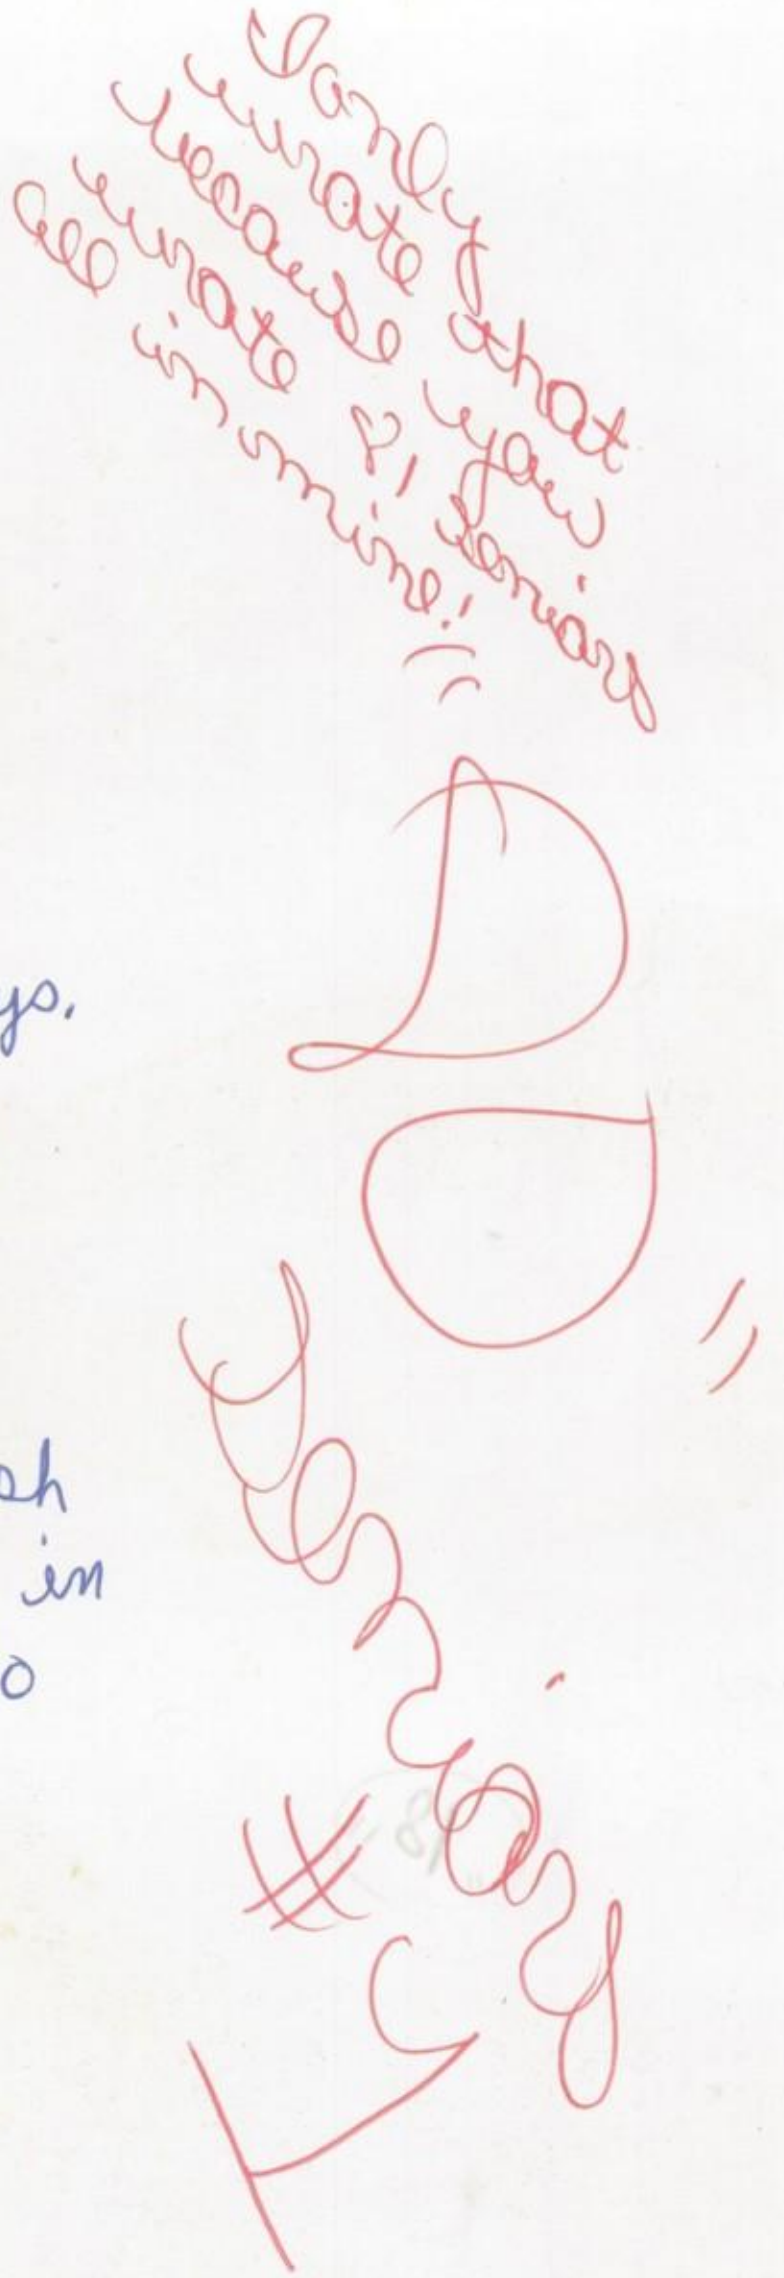
Sandra,

I have really enjoyed having classes with you because you are so crazy. you are very pretty and as sweet as you can be. It seems like I have known you all my life. I remember seeing you at the Oak Grove Skating Rink. we used to raise hell out there in our younger days. I can't believe we are almost out of school two more years that is hard to believe. I guess I will start closing for now. I wish you the best of luck in all you seek out to do in life.

SISRS. = #1 class Love ya,

Jay



Sandra,
I Really don't
Know what to write but,
your a Sweet + Crazy person
but then we all have to be a little
Crazy to Survive in this world I have
Enjoyed the Past 8 years going to School
with you. Well Cont stay Sweet because it
don't get you no where. Be good but not to good
and try to make the most out of your life.
Remember next year we all will go to Disney world and
Party down.

Love,
Cathy
